

Welcome Back!

Surlingham Primary School Autumn Newsletter 2011

Welcome back to all our children and families. We hope you have had a great summer and a restful holiday. We would like to extend an extra special welcome to all our new children in Reception year and across the school. We hope you will all settle in and get to know the school and staff very quickly.

...and a warm welcome to some new members of our staff team.

Mrs Hermione Stewart- Mrs Stewart will be teaching Y5/6 on Wednesdays, Thursdays and Fridays.

Mrs Victoria Bayliss- Mrs Bayliss will be working Mrs Wilson and Miss Craig to support learning in Y2 and 3 every morning this year.

Mrs Sue Burrell- Mrs Burrell already works at Rockland St Mary Primary, and will be teaching Year 3/4 science on Tuesday afternoons.

Mrs Ann Watts- Mrs Watts will be working with us on Tuesday and Wednesday mornings each week, developing design projects in each class.

Your child will be bringing home a yearly calendar today. It has lots of important dates and events on it, especially those occasions we know parents like to attend such as our harvest festival and Christmas celebration.

Please take some time to have a look and keep it somewhere safe

Important Class Meetings!

This year we will be holding a meeting for the parents of each class. These will be held directly afterschool, and should last for about forty-five minutes.

The meetings will have lots of important information about what the children will be learning in each class, homework, class routines, expectations of each year group and ideas about how to support your child's learning and develop their independence...

The dates of the meetings are:

Y5/6- 13th September

Y3/4- 14th September

Y2/3- 21st September

YR/1- 28th September

We hope as many parents as possible will be able to attend, so we can get the year off to a flying start!

We will be showing a film in another classroom for children to watch if you require childcare.

Each class will have PE with Mr Colbeck's Pro-Coach team this year.

Bring your kit!!

Details of PE days will be given out by class teachers! Have your kit in school ready.
