Pupil Premium 2014-15

Nature of Support

Intervention

Pupils are tracked to identify vulnerable groups and are supported in and out of class through targeted interventions,

Pupil premium helps support sufficient Teaching Assistant hours for the school to provide Numicon, Nurture, RWI, Code and other focused interventions in addition to classroom support.

Pupil premium helps fund the Benjamin Foundation to support pupils and parents and carers

In Class support

Pupil premium is also used to help keep TA hours in classrooms up, therefore supporting all pupils, including those eligible for pupil premium to achieve their potential.

Resources

Pupil premium has been used to support the purchase of additional resources to support reading and maths both in class and through small group intervention.

Curriculum Enrichment

Pupil Premium funding has also enabled access and participation to curricular and extra-curricular events in the form of

- Sports Clubs,
- Sports Events and Competitions
- Residential visits
- Learning to play a musical instrument
- Children's University Passport to Learning
- Uniform
- Travel expenses

Measuring the impact

Pupil Premium Impact 2012-13 and 2013-14 Surlingham Primary

Pupil Premium funding exists so that children who are eligible for the school payment close the gap academically between them and their non-pupil premium funded children. In our school the number of pupils in receipt of Pupil Premium is small and therefore statistics should be read with this in mind.

During the last two years the impact of funding has been as follows:

	2013 Pupil Premium School	2013 Pupil Premium National	2013 School	Comments
